

Confidently manage your
wholesale orders **with complete
visibility over inventory**

Unleashed lets distributors keep track of stock across multiple warehouses, in multiple global locations and currencies.

Along with award-winning customer service, Unleashed provides clarity and control over suppliers, inventory, production and sales so that product businesses can confidently scale.

Unleashed benefits

Get full visibility on slow moving products - perfect for running promotions and specials.

Break down products automatically upon purchase – perfect if you buy stock in bulk.

Automatically assemble product bundles or kit-sets.

Know exactly what stock you have and where it is, across multiple warehouses.

Whether you distribute globally or locally, Unleashed calculates margins accurately.

Enjoy full product traceability with serial number and batch number tracking.
